NA: 2007 cause of death data is not yet available.

\* 2006 data are provisional and the cause of death data field is not yet complete.

\*\* In 1999, classification of diseases was changed to the ICD-10 system from the ICD-9 system. Because of differences in the revised classifications, caution must be used in the comparability of mortality from 1999 to earlier years in many of the disease categories.

\*\*\*\* Population estimates are from Woods & Poole Economics projections for Douglas County.
