Catholic Charities
3300 N 60th St. Omaha, NE 68104
9:00am-5:00pm
Emergency Shelter and Temporary Housing - Sheltering services offered through Catholic Charities provide a secure, temporary place to stay along with care and support as survivors regain control to make decisions about their future. Residents can stay for up to 28 days. After Shelter Support - The Shelter stay is only the start of the rebuilding process. Both during and after a survivor’s stay, community reintegration advocates provide resources and referrals for economic empowerment such as employment and housing needs. DVS advocates support survivors to live safely in pursuing their dreams without fear. Support for Survivors - Self-determination is a key component to breaking the cycle of violence. Domestic violence advocates assist and empower survivors as they develop an individualized plan for themselves and their children. The plan includes practical concerns, as well as emotional barriers. Based on the plan, survivors are provided with resources and referrals to appropriate community support and programs to match their needs.
